April 2010

Chairman's Corner

Since Barack Obama was elected we have all faced the prospect of a new America: a Socialist America! We must take back Congress in 2010 or face the prospect of a major defeat for the American values of a free market society that we will no doubt lose in a continuing Democrat Congress. At stake also, is our chance to win back the White House in 2012.

At risk is our freedom of expression as the Democrats led by Obama, Pelosi, and Reid try to shut down conservative radio, Christian radio, and any conservative viewpoint that happens to find its way to the airwaves. Ronald Reagan knew the dangers faced by the censorship the Dems wish to impose on us in order to shutdown our voices.

This is but one danger we face in the future with a socialist president and a House Speaker who are determined to quiet us for good. This is why we must keep our voices heard through support of Republican organizations such as our growing unit. Your continued support, at this time, is absolutely vital.

Effective May 1st, we will be changing our organizational name back to La Canada Flintridge Republican Committee. The board voted on April 10th to return to its original name, a name that better reflects our original mission. Our mission is to create a local Republican organization made up of members acting together as a committee of the whole representing the principles of our local Party. AL C. RESTIVO, Chairman

Membership

We all know that any organization needs strong support from its members to be effective. This applies to the LCF Republican Committee as well. While we have many loyal and devoted members dedicated to the cause of freedom and conservatism in America, more members would help us aid the cause to take back our freedoms from the onslaught of the regressive sixties revolutionaries and their supporters. The elections this November are crucial, and it is important for our organization to do its part in bringing the message of the Republican Party to all voters. Like other activities, this requires active members and financial support through dues and contributions. We have plans to spread the word by our meetings, the print media, our website, and our members' contacts with friends and associates. We also want to ensure that all Republicans, independents and conservative Democrats unhappy with the policies of the Obama administration are registered to vote and get to the polls in November. Please join us and help the cause! BOB LONG, Membership Chairman

Fiesta/Memorial Day Festivities

Come join us for the Memorial Day parade which will be led this year by Brian Fuller. After the parade, celebrate in our club booth in Memorial Park with your fellow Republican friends. Our goal is to impart a strong presence in this year's parade by combining our march with members of the Young Republicans of La Canada Flintridge, our youth group. With a solid showing, we will tell the less active Republicans along the boulevard that they are not alone and this may change the

minds of those that are "sitting on the fence". Not to mention the message we will send to the Democrats! ***We highly encourage your presence.***

The parade starts at 10:30 on Monday, May 26th. The start location of the parade is at Lanterman theater area at the corner of Cornishon and Foothill. Come march with us!

We also need volunteers to help us setup and staff our Republican Committee booth. We will start the setup at 11:00-ish and will need volunteers throughout the day at the booth to hand out flyers and speak to visitors. There will also be goodies and giveaways for the kids.

Please contact **Brian Fuller** at (626) 381-9726 to sign up for a time slot.

Member Action Needed and Wanted!

We need to have every member act as a recruiter. While our club is growing, we need many more members in order to be effective, especially in the tough election year we currently face. Please urge your friends to consider joining our organization. Call Bob Long at (818) 500-9202. Go to our website for an application www.LCFRepublicans.org
The year 2010 will be a turning point for Republicans, and particularly for ALL Americans.

COMING EVENTS

May General Meeting

We have invited John Colbert, candidate for Congress from the neighboring Congressional district to be our guest speaker at our meeting on Monday, May 24th at Beckham Grill. John has wide support in his effort to defeat liberal Democrat Adam Schiff. While John is not running in our district, he needs help from every Republican to defeat the extremely liberal Democrat Schiff. If you will recall, it was Schiff with the help of the Hollywood elite liberals who poured millions in a campaign to defeat our old friend Congressman James Rogan. It is payback time and we all need to get behind this very conservative Republican candidate for a new Republican Congress. Of course, we will be getting behind our Congressman David Dreier to make sure he is reelected this year. The team of Dreier and Colbert in Congress will bring tremendous power to our area.

June General Meeting

Our general meeting will be on **Monday, June 28th at Beckham Grill**. Our speaker will be Mike Alexander, a key leader of the Pasadena Patriots and the Tea Party movement. You've got to hear what he has to tell us about the Tea Party movement and how we can all become involved.

Our Annual Summer Barbecue

Our annual barbecue will be held again in July. We need volunteers for this event and would appreciate having one of our members volunteer their back yard or patio for the event. Please call Al Restivo at (818) 952-1969 if you wish to help at the event or if you want to volunteer your home. The date will be announced next month.
